100% polyester

Imported

Designed to cradle and support the natural contours of your head, neck, shoulders and back

The white soft memory foam layer molds to the curves of your head and neck providing soft cloudlike comfort

The yellow firm center is designed to provide extra support to the neck and shoulder

The blue support base is made with extra firm foam to prevent 'bottoming out' and keeps your head properly supported throughout the night

The ribbed surface allows air to circulate while quickly adjusting to your body temperature

Contoured foam pillow molds to fit neck and head for comfortable sleep

3 layers of foam, with white Soft-Touch memory foam on top

Blue lower layer keeps pillow from bottoming out

Crescent cutout supports the neck, keeps spine aligned

Measures 19 by 14 by 4 inches; fits inside any standard pillowcase

Our pet-owning experience will be most enjoyable if you consider carefully what type of pet best suits your family, home, and lifestyle. Unfulfilled expectations are a leading reason why people give away, abandon, or give pets up for adoption, so invest the time and effort to make an informed decision and ensure the years with your future pet are happy ones.

1. Plan Carefully
2. Factor in your Lifestyle
3. Think about Cost.
4. Consider Humane Society Adoption
5. Delegate Responsibilities
6. Think about Training
7. Final Steps...
